Future of Work: raising the Global South's voice

Future of Work: raising the Global South's voice

A new industrial revolution is underway

Future of Work: raising the Global South's voice

- + A new industrial revolution is underway
- + High potential for accelerating growth and increasing productivity

Future of Work: raising the Global South's voice

- + A new industrial revolution is underway
- + High potential for accelerating growth and increasing productivity
- + It is a window of opportunity from creating more and better jobs. Quantity and quality matter!

Future of Work: raising the Global South's voice

- + A new industrial revolution is underway
- + High potential for accelerating growth and increasing productivity
- + It is a window of opportunity from creating more and better jobs. Quantity and quality matter!
- + It is time to adapt behaviors and institutions

Future of Work: raising the Global South's voice

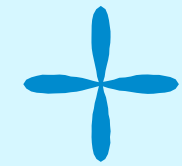

- + A complex, multidimensional challenge

Future of Work: raising the Global South's voice

 A complex, multidimensional challenge

 *Tech trends interact with other trends (demographics, climate, etc.)*

Future of Work: raising the Global South's voice

A complex, multidimensional challenge

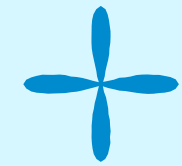

Tech trends interact with other trends (demographics, climate, etc.)

It is not about new tools. It is about new ways of solving problems and creating value

Future of Work: raising the Global South's voice

A complex, multidimensional challenge

Tech trends interact with other trends (demographics, climate, etc.)

It is not about new tools. It is about new ways of solving problems and creating value

It is about systemic change

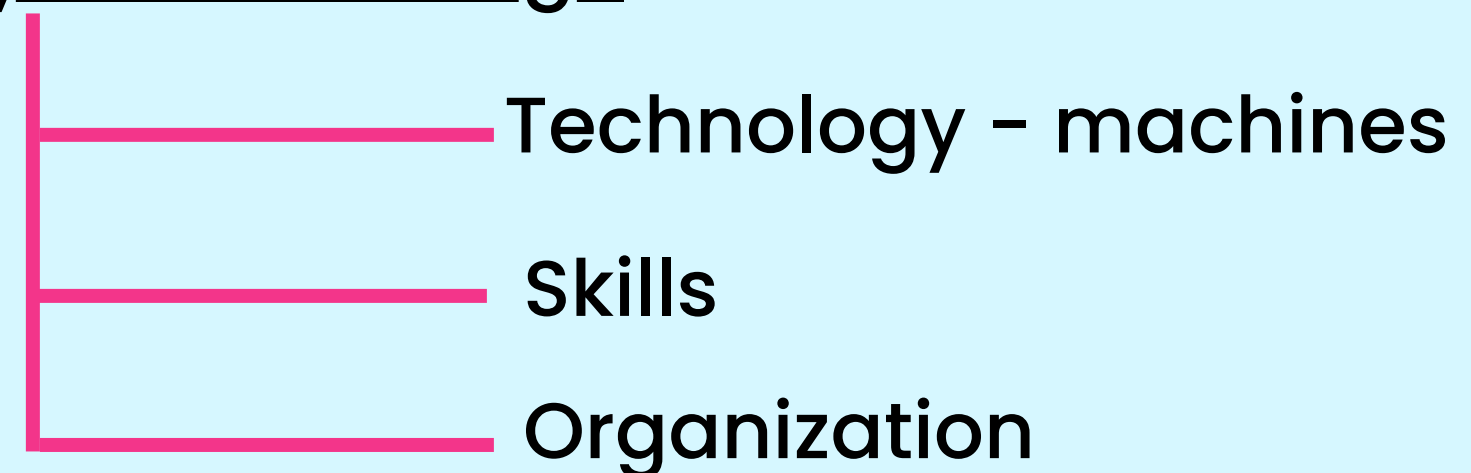

Future of Work: raising the Global South's voice

✦ A complex, multidimensional challenge

✦ *Tech trends interact with other trends (demographics, climate, etc.)*

✦ *It is not about new tools. It is about new ways of solving problems and creating value*

It is about systemic change

Future of Work: raising the Global South's voice

✦ The outcome is not predetermined

✦ *No structural transformation*

Future of Work: raising the Global South's voice

The outcome is not predetermined

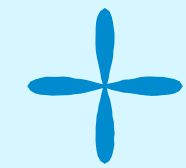

No structural transformation

Structural transformation that creates inequality

Future of Work: raising the Global South's voice

The outcome is not predetermined

No structural transformation

Structural transformation that creates inequality

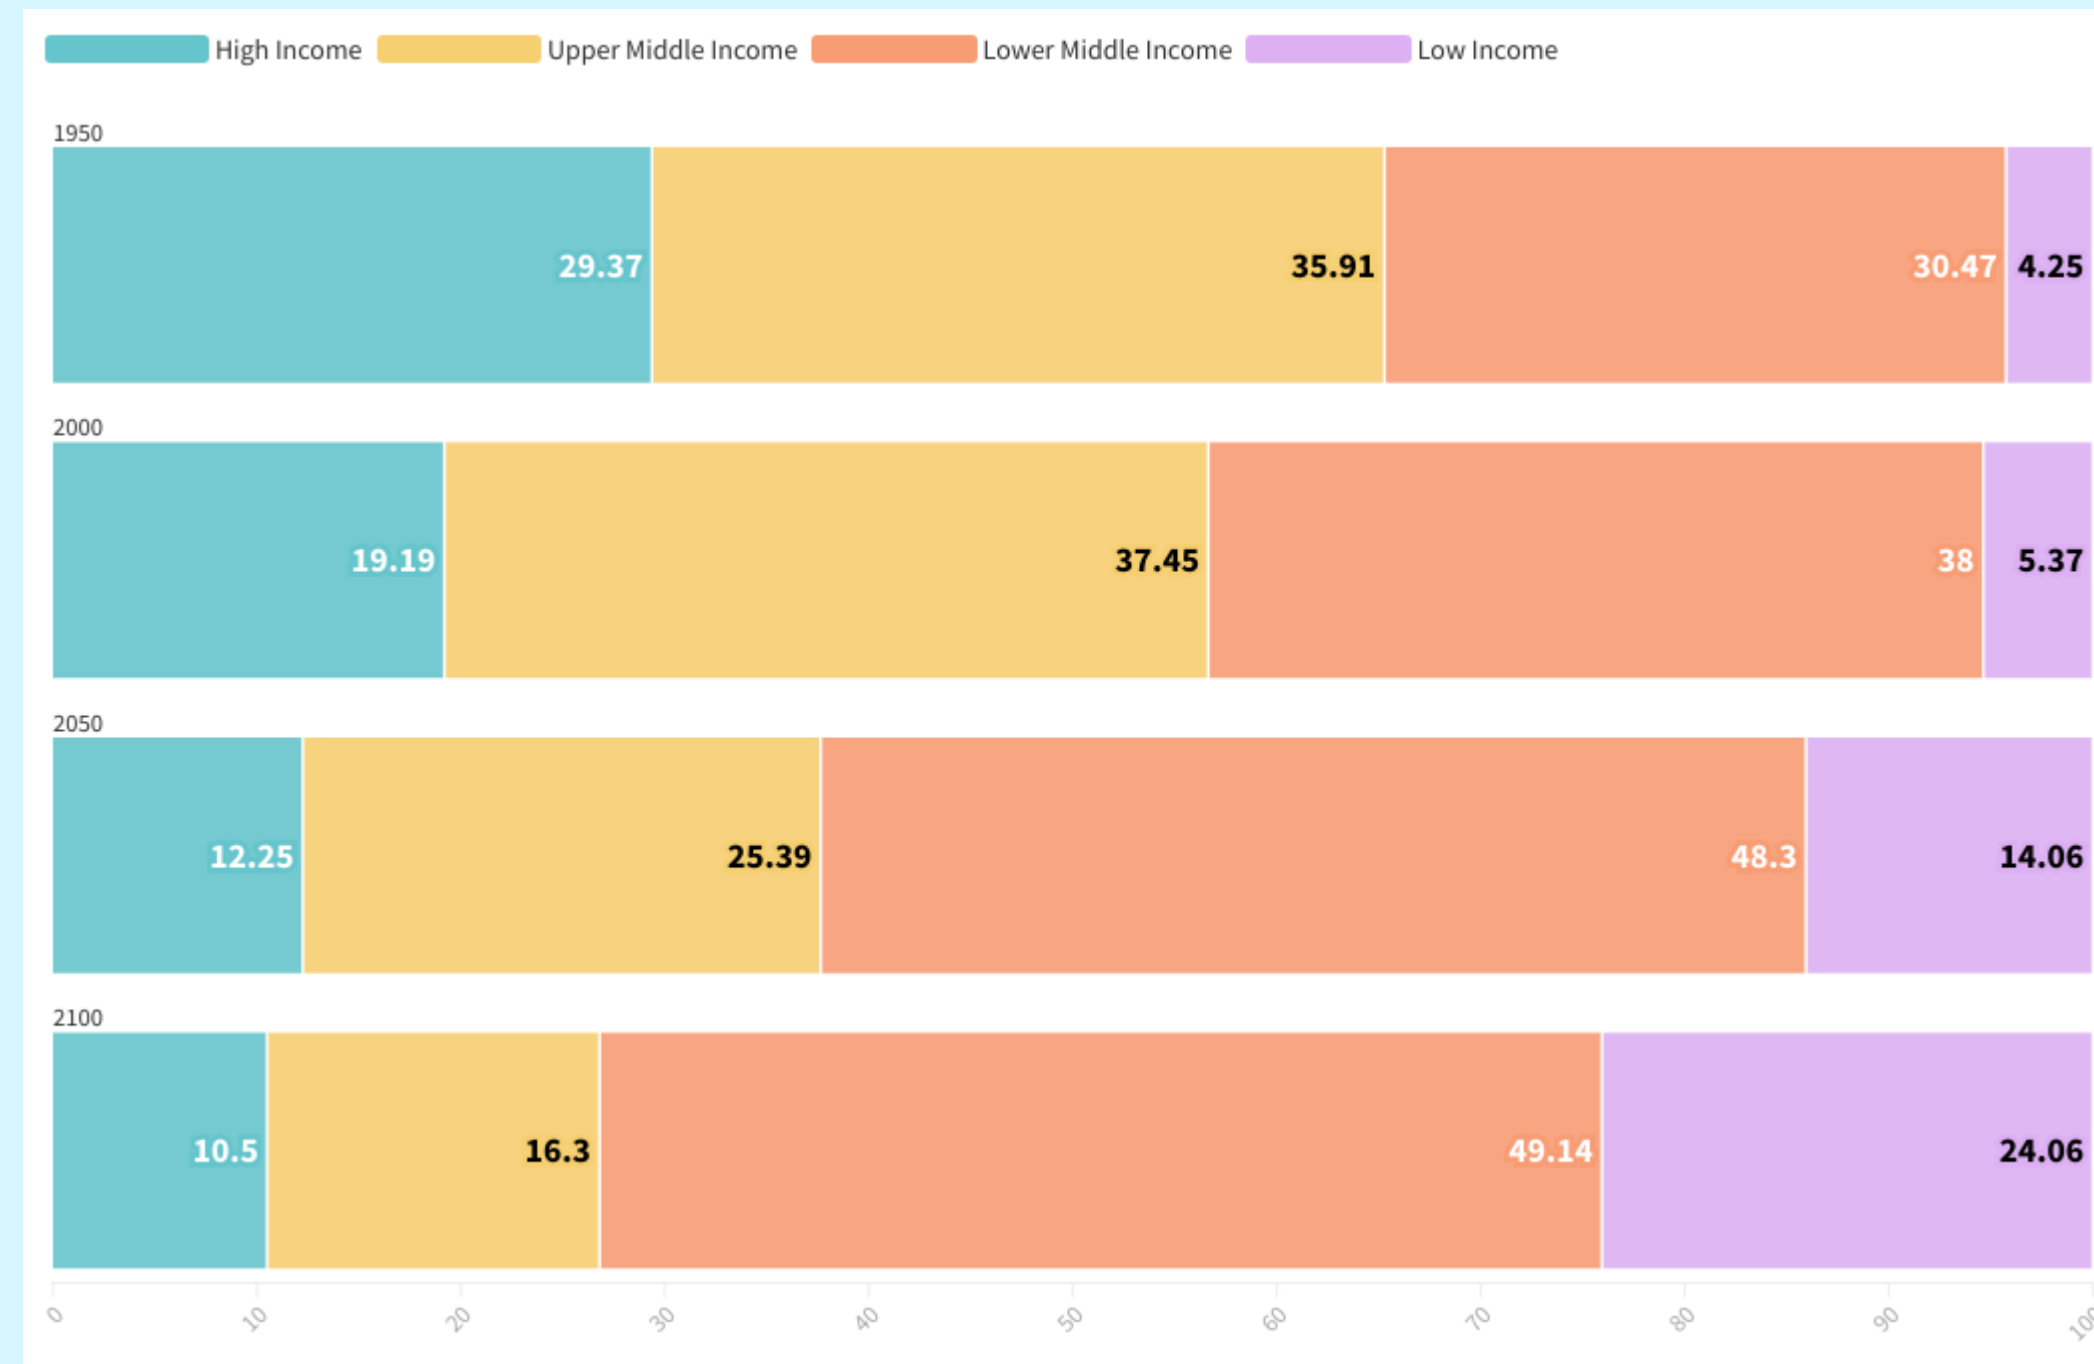

Inclusive structural transformation

Future of Work: raising the **Global South's** voice

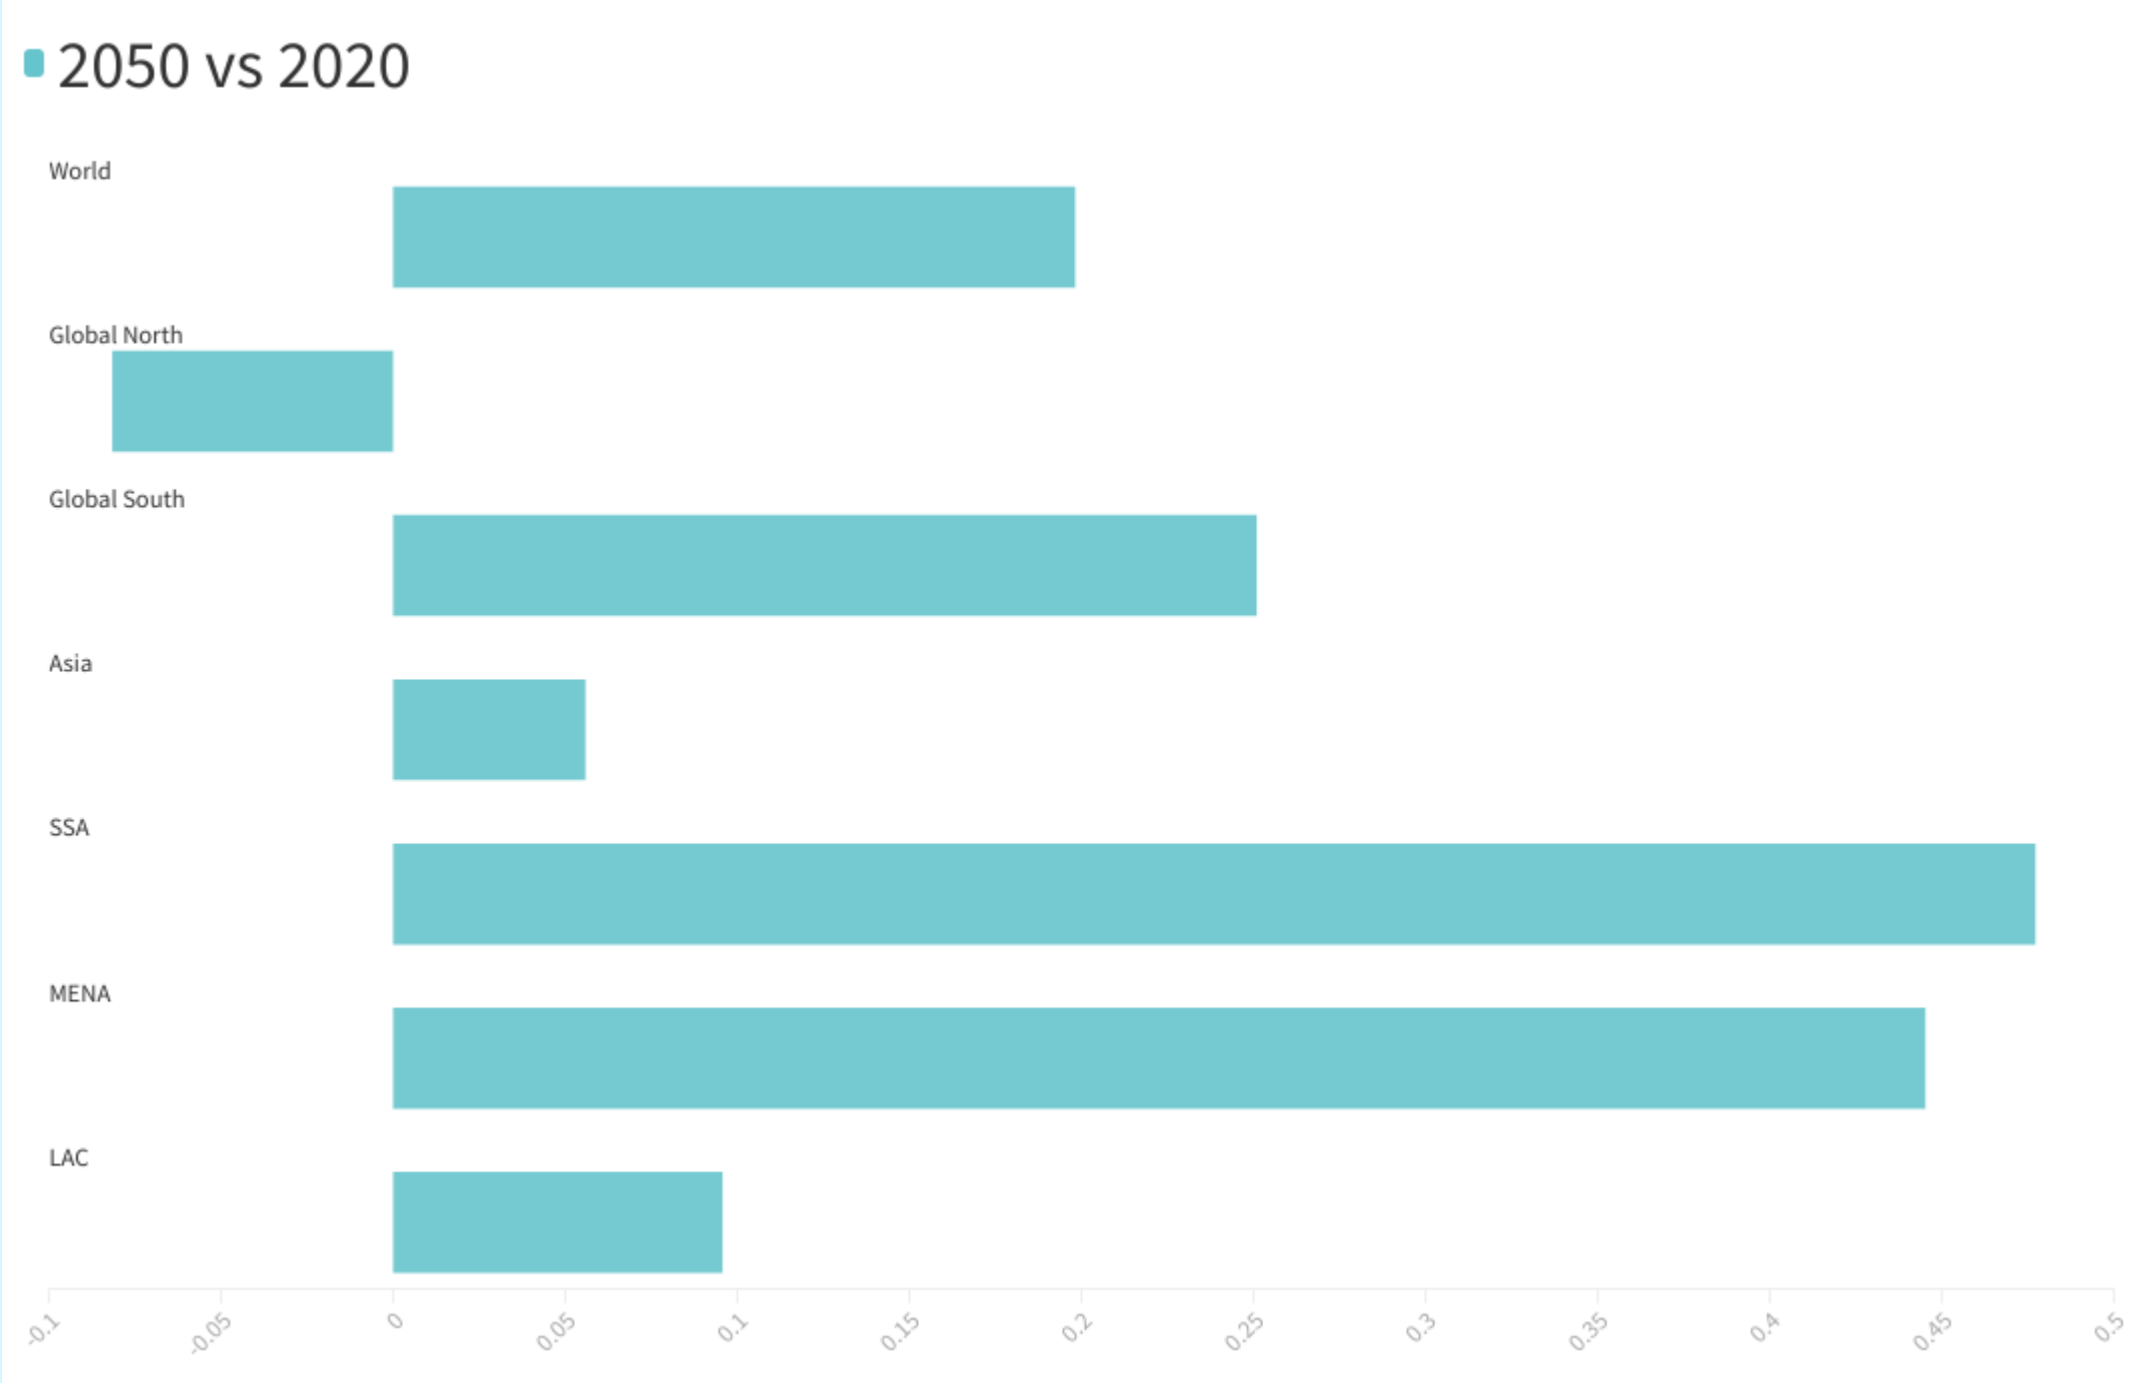

Future of Work: raising the **Global South's** voice

The working age population is "moving" South

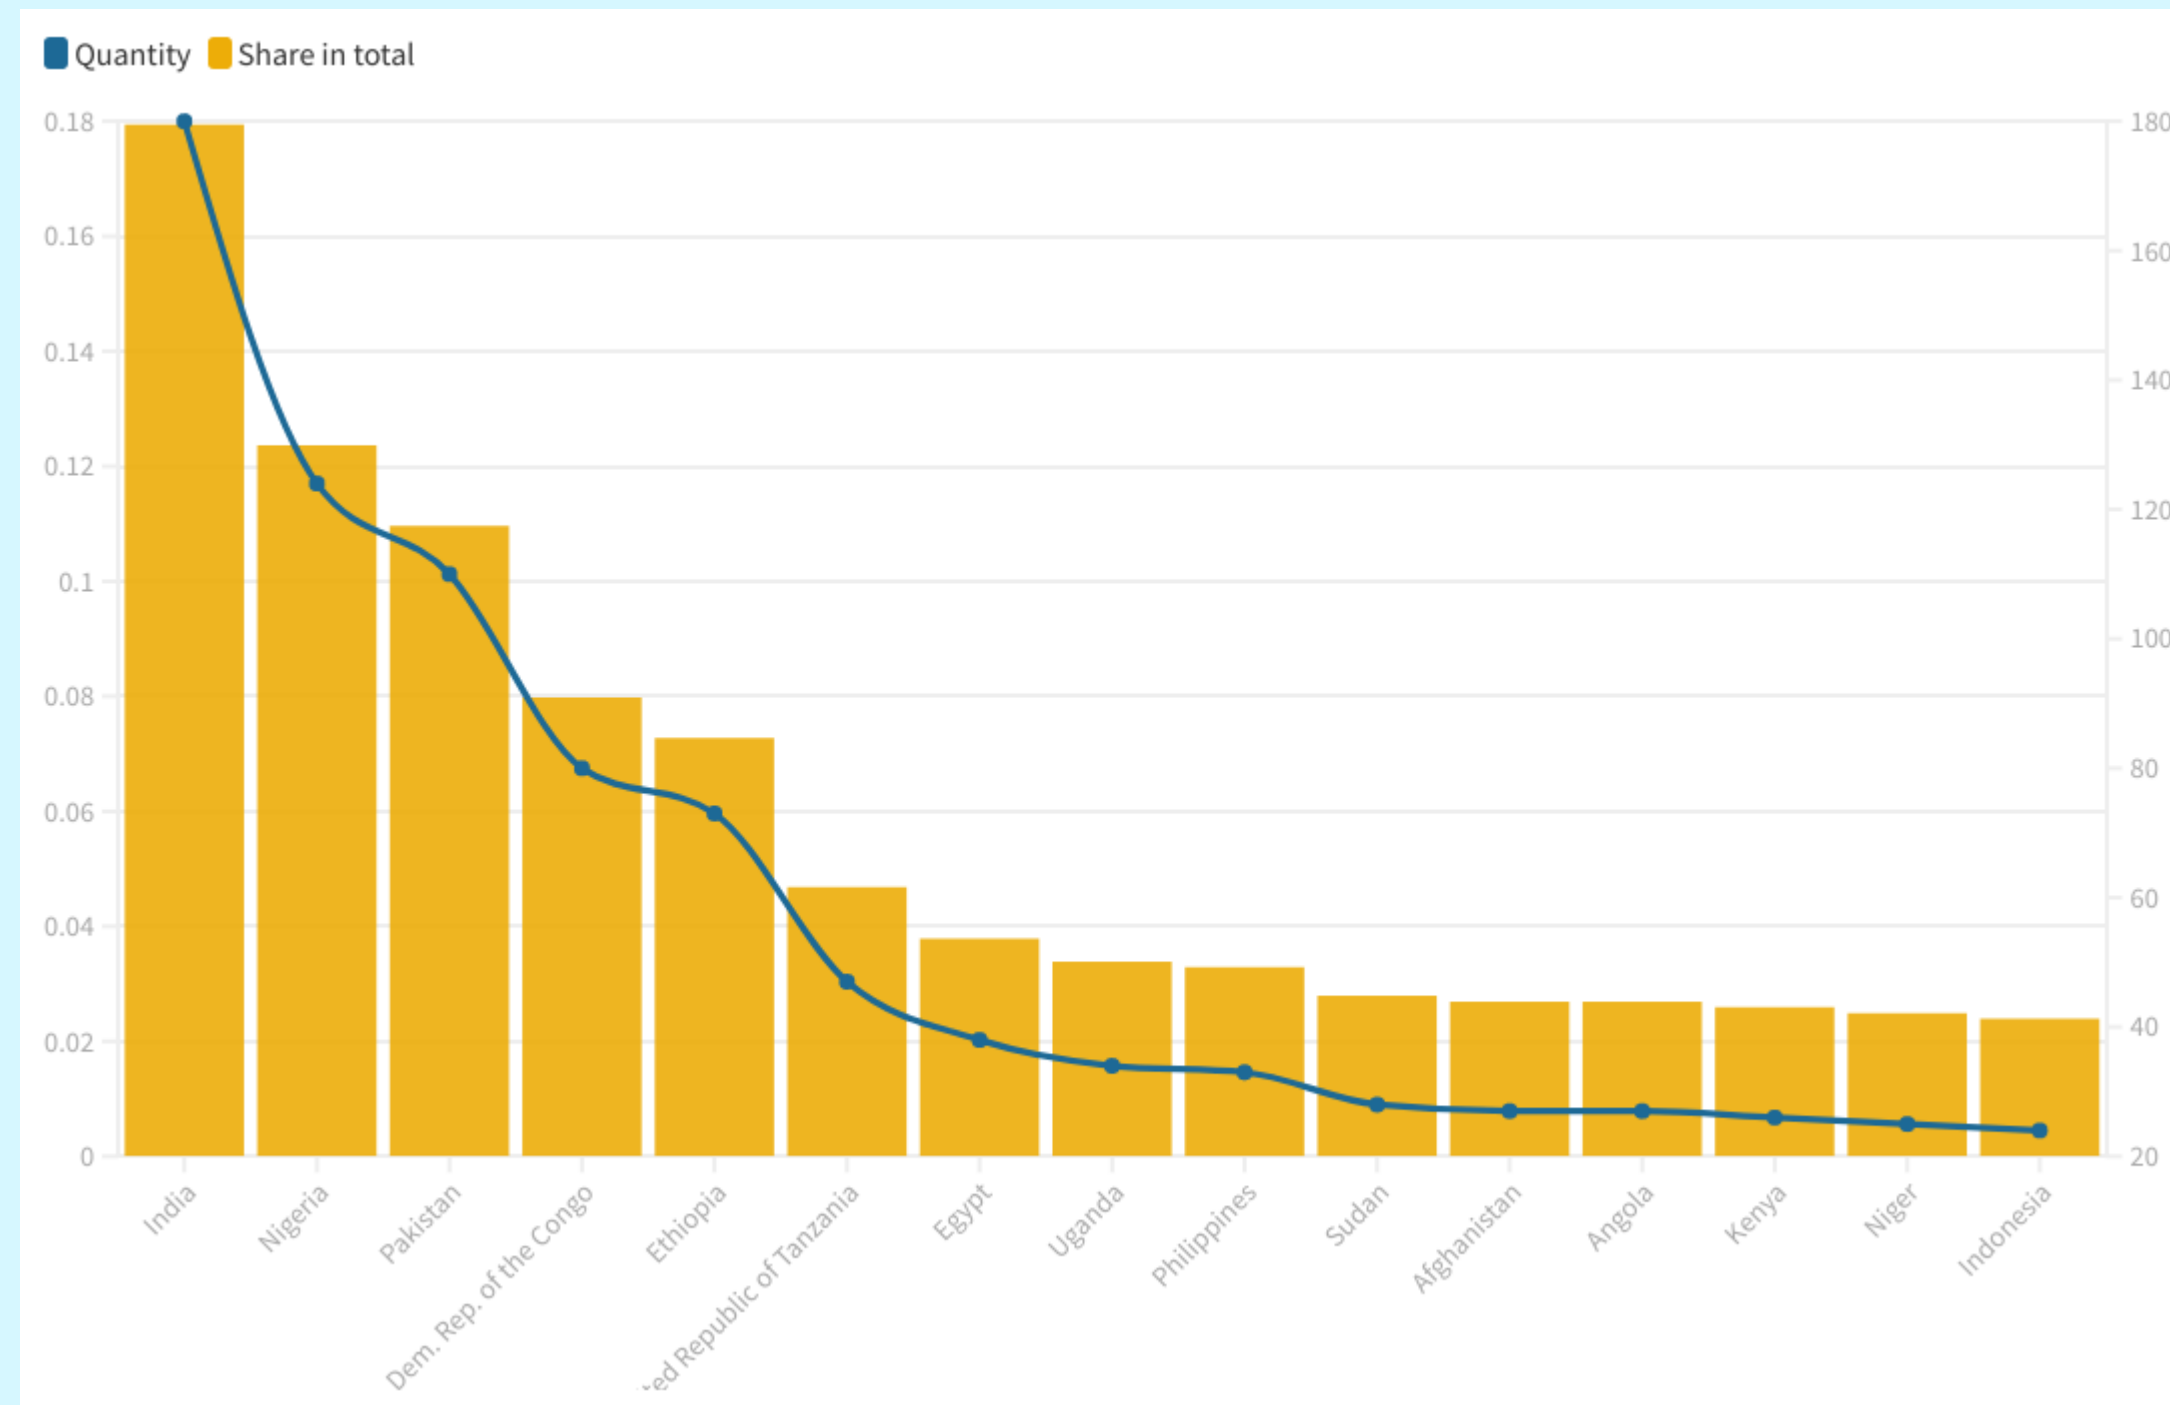

Future of Work: raising the **Global South's** voice

Job creation will still be an issue in the Global South

Future of Work: raising the **Global South's** voice

Particularly in a sub-set of emerging countries

Future of Work: raising the **Global South's** voice

 A jobless future? better a future with more and better jobs

Future of Work: raising the **Global South's** voice

- ✦ A jobless future? better a future with more and better jobs
- ✦ The future of work is the future of Global South labor markets

Future of Work: raising the **Global South's** voice

- + A jobless future? better a future with more and better jobs
- + The future of work is the future of Global South labor markets
- + Global growth and prosperity will be increasingly dependent on the quantity and quality of Global South jobs

Future of Work: raising the **Global South's** voice

New perspectives bring new research topics

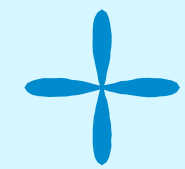

Topic	Main issues in the Global North	Additional issues in the Global South
Technology	<ul style="list-style-type: none">- Technological innovation-Infrastructure	<ul style="list-style-type: none">-Technological adaptation-Technologies in use
Skills	<ul style="list-style-type: none">-Curricula reform-Life-long-learning	<ul style="list-style-type: none">-Dropout rates- Learning vs. schooling
Labor market Institutions	<ul style="list-style-type: none">- Flexibilization of formal work- Reform of labor market institutions	<ul style="list-style-type: none">-E-formality in informal settings- job quality with excess supply
Demographics	<ul style="list-style-type: none">-Aging population- UBI	<ul style="list-style-type: none">-Demographic dividend-Job creation needs
Inequality	<ul style="list-style-type: none">-Inequality in labor income-Decreasing income share-Political backlash	<ul style="list-style-type: none">-Wealth inequality-Pro-rich public policies- Lack of competition

Future of Work: raising the Global South's voice

That yields new research questions

Topic	Research gap	Research questions
Technology	No data on use of new technologies	Which are the obstacles to tech transformation in the Global South?
Skills	Connections between innovations in education and the big education factory	How to create bridges between innovative pilots and the formal education system?
Labor market Institutions	- Platforms for exporting high-skilled services	is it possible to follow a services-led inclusive growth strategy in the Global South?
Demographics	smart investments in countries undergoing the pre-dividend stage	Are young (and poor) countries doing their best to be prepared for the DD stage?
Inequality	Technology-induced inequality during the pandemic?	Is there a new source of wage polarization associated with the pandemic?

Future of Work: raising the Global South's voice

FoW discussions in the international arena are dominated by the Global North agenda

Future of Work: raising the Global South's voice

- + FoW discussions in the international arena are dominated by the Global North agenda
- + Main fora to engage in these discussions? G20

Future of Work: raising the Global South's voice

- + FoW discussions in the international arena are dominated by the Global North agenda
- + Main fora to engage in these discussions? G20

The G20 is a strategic multilateral platform connecting the world's major developed and emerging economies. The G20 holds a strategic role in securing future global economic growth and prosperity. Together, the G20 members represent more than 80 percent of world GDP, 75

Future of Work: raising the Global South's voice

- + FoW discussions in the international arena are dominated by the Global North agenda
- + Main fora to engage in these discussions? G20
- + Where in the G20 eco-system? the T20

Future of Work: raising the Global South's voice

+ FoW discussions in the international arena are dominated by the Global North agenda

+ Main fora to engage in these discussions? G20

+ Where in the G20 eco-system? the T20

Engagement group is independent from national governments and comprised of prestigious think tanks and academia from the international community

Future of Work: raising the Global South's voice

- + FoW discussions in the international arena are dominated by the Global North agenda
- + Main fora to engage in these discussions? G20
- + Where in the G20 eco-system? the T20

Generate insightful policy proposals that provide an analytical depth to G20 discussions

Future of Work: raising the Global South's voice

- + FoW discussions in the international arena are dominated by the Global North agenda
- + Main fora to engage in these discussions? G20
- + Where in the G20 eco-system? the T20
- + An opportunity: for the first time, 4 consecutive years of Global South presidencies in the G20

Future of Work: raising the Global South's voice

This conference has two goals

- ✦ To bring ideas/contributions/thoughts for a fair and balanced global perspective on FoW

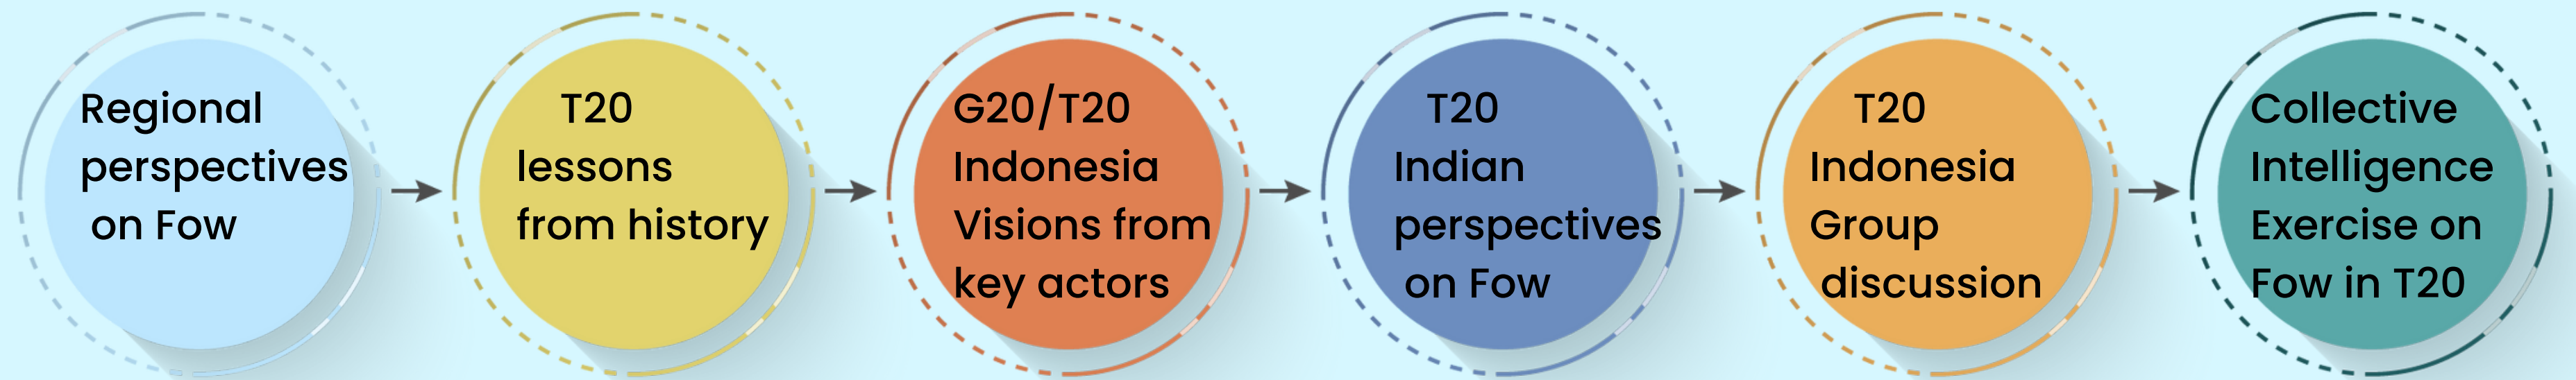

Future of Work: raising the Global South's voice

This conference has two goals

- ✦ To bring ideas/contributions/thoughts for a fair and balanced global perspective on FoW
- ✦ To discuss the workings of the G20/T20 ecosystem in addressing global challenges

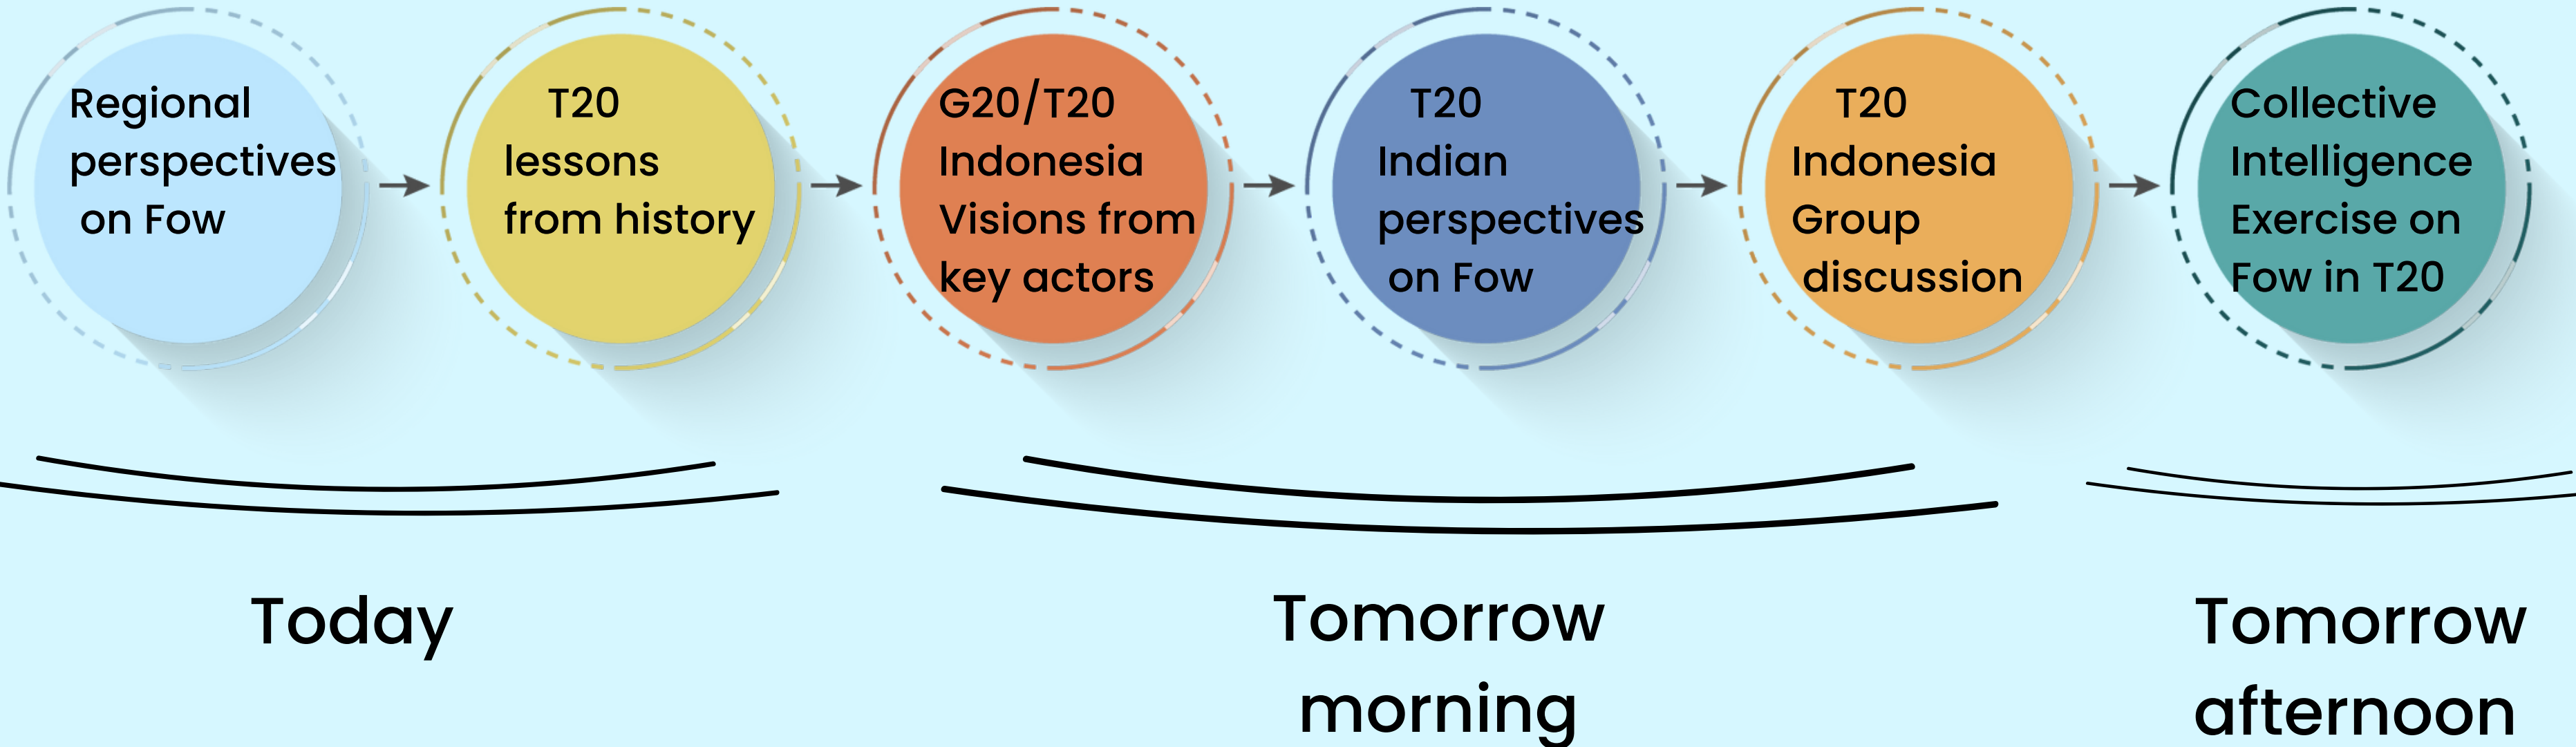

Future of Work: raising the Global South's voice

The plan for this conference
